MWITI ANTONY MUTWIRI

PO BOX 4578-00200, Nairobi, Kenya

Email: antonymtwi@gmail.com | **Phone:** +254742278301

Profile

A highly motivated and detail-oriented IT technician with a passion for technology and problem-solving. I am eager to apply my skills in technical support, troubleshooting, and network infrastructure maintenance in a dynamic organization, while contributing to team success and personal growth.

Core Skills

- **Technical Support:** Proficient in diagnosing and resolving hardware and software issues.
- **System Administration:** Skilled in managing Windows and Linux systems, user account administration, system backups, updates, and security configurations to maintain smooth and secure operations.
- **Network Administration:** Experience with configuring routers, switches, and firewalls.
- **Troubleshooting:** Skilled at efficiently identifying and resolving technical problems.
- **Documentation:** Strong ability to create clear and concise technical documentation.
- **Customer Service:** Excellent communication skills with a customer-focused approach.

Education

Diploma in Information Technology

KCA University, Nairobi, Kenya

2022 – Graduated: 29th November 2024

Technical Skills

- **Operating Systems:** Proficient with Windows OS, Linux, and Android.
- **Programming Languages:** Knowledge of C, JavaScript (JS), HTML, and PHP.
- **Hardware/Software: Administration,** troubleshooting, assembly, and maintenance.
- **Networking:** Experience in administering, setting up, and maintaining TCP/IP, DNS, and DHCP.
- **Office Applications:** Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- **Soft Skills:**
    - Excellent time management and organizational skills
    - Quick learner with strong attention to detail
    - Strong communication and teamwork skills
    - Fluent in both written and verbal English and Swahili

Experience
